## COMMENTS FROM PAST RECIPIENTS

*Thank you for the money I have received. I am looking forward to using it to improve my dairy knowledge and practical skills. I will also try to promote the award to other students in the West Country as I feel it is very beneficial for anyone within the dairy sector to apply. Thank you once again and I look forward to trying to make the finals next year.*

*I was recently selected as a recipient of the West Country Dairy awards. I am sincerely honoured that the board of trustees found me worthy of your scholarship. Thank you for your generosity. This funding will allow me to buy personal protective equipment and other things that will be needed at college. I believe this gift will have a positive impact on my studies. Therefore I will work hard to achieve success. Thank you again for your consideration and support.*

## WEST COUNTRY DAIRY AWARDS

Established in 1925 the awards provide grants to people studying courses related to the dairy industry.

Funds are available to students of all ages who are undertaking further education courses related to the dairy industry.

Sons and daughters of farmers or farm employees, or students who can demonstrate commitment to the dairy industry and show aptitude to 'add value' to the industry, shall be considered.

Applicants must live in one of the following four counties:- Cornwall, Devon, Dorset or Somerset.

## THE AWARDS

The awards distribute over £20,000 every year. All applicants are interviewed within their county and the best are invited to a Final Interview Day, usually held in September. All qualifying applicants receive some funding, and the finalists receive a higher award.

Applications close on 31st July each year.

*Please note we are unable to fund students whilst on work placement/experience.*
